(*b*) On application to the Deputy Minister, teachers-in-training who are required to re-attend, may enter at the beginning of the second term and remain until the close of the session in June.

(*c*) Teachers-in-training who, at a previous session, were prevented, through sickness or other compelling cause satisfactory to the Minister, from completing their course, will be permitted to enter at a special date to be determined in each case by the Minister.

NOTE.—It is to be understood that the aim of these discussions is not to set up a rigid uniformity of procedure in Observation and Practice-teaching, but rather to establish an intelligent connection between theoretic principles on the one hand and their practical applications on the other.

(6) When, notwithstanding the certificate prescribed in Regulation 5 (5) a teacher-in-training is reported to the Minister by the Principal as being physically unfit, the Minister may order a special medical examination of such teacher-in-training, and, as a result thereof, may direct the Principal to dismiss him from attendance.
